Dear Mr. José Luis Durán,

**Ref: YPF Request for Claiming Ford WSS-M2C913-D Specs for Elaion F50E using
Formulation Code IME0900712-A**

We acknowledge your claim for Ford WSS-M2C913-D Specs for Elaion F50E product using Infineum IME 0900712-A additive pack.

However, please ensure that you adhere to these formulations including the additive types, additive treat rates and the base oils used for blending. Ford has the right to take samples, request analysis of the blends and have the right to ask you to remove the product from the market if requirements are not met.

Ford hereby excludes all liability whatsoever for our above acknowledgement and reserves our rights, as the testing has not been conducted by Ford and the acknowledgement was based only on the information provided.

This acknowledgement from Ford in no way implies that Ford is recommending the oil. In no circumstances can any actual or implied recommendation be made to third parties.

Yours sincerely,

**Suhair Abdelhalim
Senior Lubricant Engineer**

**Dennis Witt
Fuels and Lubes
Supervisor**
