CONTENTS

Discovery 3's groundbreaking design incorporates many practical features as standard. But because every owner enjoys their own unique lifestyle and pursuits, you'll find the range of specialised items in this brochure will help you bring even more style and added capability to your vehicle. So whether you're choosing accessories during vehicle purchase or adding equipment later on, everything you'll need is right here.

We find accessories tend to be chosen to match a season or a type of travel. So to save you time, we've assembled four typical accessory packs that our experience tells us should cover most people's needs. Our Winter, Summer, Touring and Urban suggestions, beginning on page 2, are an ideal starting point if you're spoilt for choice.

IMPORTANT INFORMATION

All our accessories are designed to be an integral part of Discovery 3. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electronics. Please talk to your Land Rover Dealer for more information and advice.

WHEELS

Make your Discovery 3 stand out with a smart set of alloy wheels. Choose from four striking designs, each tested to perform far in excess of normal motoring conditions. And when you do encounter those extreme situations, we offer mudflaps to keep the bodywork clean and snow chains for winter traction.

EXTERIOR STYLING

Exterior accessories for Discovery 3 combines rugged protection with stylish looks. The front bumper, grille and headlamp clusters can lead a punishing life if full use is made of Discovery 3's impressive all-terrain potential. So a range of special protection bars and lamp guards have been developed to cover these key areas. Doors and sills can find life tough too. Our custom-designed side steps, body side mouldings and protection tubes should help ward off stone chips, scuffs and scrapes, whether you're crossing the countryside or the car park.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,000 miles/1,600 kilometres (whichever occurs first) of the handover of a new vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.
