

NEW PRODUCT RELEASE

DACIA DUSTER SUSPENSION UPGRADE

Ironman 4x4 announces the worlds only fully integrated suspension upgrade for the popular European offroader; Renault / Dacia Duster.

Unlocking the vehicles full potential, Ironman 4x4's engineers have been able to extract up to 45mm lift from the short bodied platform, added with the advantage of up to 25mm more wheel articulation.

The suspension kit is already becoming a hit with local rally teams and offroad enthusiasts through Europe, especially in the home territory of Romania.
